- We ask for a separate repair permit if the cost value exceeds 350€

DELIVERY INSTRUCTIONS FOR MACHINES TO BE SENT FOR SERVICING

- The maintenance order form can be filled out electronically or printed on paper and filled in by hand. Both options can be found on our website:
<https://www.cablex.fi/en/tools/maintenance/>
 - We send a copy of maintenance orders completed electronically to the contact person's email
 - You can print the PDF version yourself and fill it out by hand
- Pack the machine going for maintenance and the maintenance order form (copy or hand-filled) in the machine's storage bag. Lock the latches carefully (e.g., with tape). If the latches are damaged, pack the storage bag in a separate box.
- Deliver the machine by your own Freight carrier to us:
 - Cablex Oy / Maintenance / Käsämäentie 23 20360 Turku
- OR take the package to Posti-office and provide the following information:
 - Recipient and freight payer: Cablex Oy / Käsämäentie 23 20360 Turku, contract no. 618119
